COLLEGE

Stratford College Green Code

Ratified: Mr Michael Gilbert, School Manager

Date: February 2008

**"Encourage to clean,
ALWAYS THINK GREEN"**

Stratford College's mission statement states that we are concerned with

.....Providing a nurturing environment where each individual can develop self-esteem and a sense of their place in and responsibility to society.

As Stratford College Green School Committee, our goal is to create a greater environmental awareness and to encourage the school community to respect their own environment.

Role of the Principal

The overall responsibility for the day to day maintenance of the school.

Role of the Class Tutors and Staff

The promoting of respect and responsible attitude towards their environment to the students.

Role of the Green School Committee

- To encourage the students to recycle, and in doing so reduce the amount of litter to be disposed of.
- To promote on a regular basis, the care of the environment. This is done by frequent advertising in the Secondary and National School.
- To monitor the progress of the Green School Policy.
- To evaluate progress at the end of each term.

Role of the Students

To learn to become responsible for their environment, and to develop respect for their surroundings.
