

Dear Parents,

Established in 2011 the Mobile Music School have been delivering music lessons to young people in schools throughout Dublin and beyond.

The benefit of our lessons is that they take place after school and eradicate the need of finding a music teacher outside of school and travelling to and from lessons.

Our lessons aim to give every student the life-long skills and love of music that enables them to learn and develop on their chosen instrument over time.

The lessons we offer in Stratford include weekly one-to-one lessons that last 30 minutes on the following guitar, ukulele, vocals & piano. These lessons are schedule to start on the week of September 15th.

All lessons are delivered by experienced, qualified and Garda vetted tutors who enjoy teaching pupils of all abilities.

These music lessons are suitable for students who want to learn for fun, those who want to concentrate on obtaining Grade exams or those who want to focus on their Junior or Leaving Certificate practical music exam.

To apply for the music lessons please complete the application form below and retron to the Mobile Music School by email to admin@mobilemusicschool.ie

Should you have any queries relating to our music lessons, please contact Shay in our office on 087 2995666 or by email. Our office hours 8.30am – 4.30pm Monday through to Friday.

I hope these lessons are of interest.

Best wishes,

Shay Lally
