Fee Schedule and Arrears Management Policy 2025/2026

Academic Fee for the Year €4,850.00

Payment Policy

The academic fee for the school year will be invoiced in full at the beginning of the school year. Added to this will be any additional items known to us at the time, e.g. art materials, insurance, etc. (see list below). Fee Invoices will be issued in July prior to the start of the new academic year.

Stratford College operates on a cashless basis so payment of fees should be made by Electronic Funds Transfer (EFT) to our Bank Account, details of which will be included with the Fee Invoice.

In order to facilitate parents, we offer the following methods of payment:

1. Payment in Full to our Easypayments Plus
2. Payment by Direct Debit over 8 months

Please register at this link to make your payments.

The system will accept payments from 1st August in the given academic year.

Fees should be paid in full or by 8 direct debits commencing no later than 1st September in the given academic year.

Payment of accounts can be made by Direct Debit on the following basis:

These are paid in 8 monthly instalments. Extras are itemised on the statements issued.

Direct Debit Accounts are subject to an annual administrative charge.

If a fee payer is experiencing exceptional financial difficulties they may apply to the BOM with supporting documentation which will be reviewed.

Fee settlements outside our stated terms and conditions without prior agreement with the BOM will incur an annual late payment fee.

Parents should understand that admission to the school, and on-going enrolment, is conditional on parents discharging fees as they fall due, and that, if parents are not in a position to discharge fees when due, their son/daughter will not be permitted to remain as a student of the school.

Where a full academic year term's notice is not given, Parents/Guardians are reminded they are liable for one term's fees, in the amount of €1,616.00, in lieu of notice.

Arrears Management Policy

Every student should share equally in the burden of financing the additional teaching and other facilities associated with Stratford College as a private school. In exceptional cases, the Board of Management at its discretion, may decide to waive or reduce the fees charged to a student due to genuine economic hardship typically associated with a dramatic change in personal circumstances following enrolment in the school. An application form is available in these exceptional circumstances and will be considered in strictest confidence.

Where fees are not paid on a prompt basis every possible step will be taken, including legal action, to ensure that the financial costs of running the school are shared equally amongst students.

Procedures:

1. This Policy should be clearly defined and communicated to all students and potential students.
2. Where the Principal or Board identify a hardship case, the case involved will be thoroughly researched and presented to the Board for decision.
3. Where fees fall more than 60 days into arrears this will result in a phone call to the parents involved to ensure that non-payment was due to an oversight by the parents.
4. For fees which are 90 days in arrears, a letter will be sent signed by the Principal and Chair of the Board asking for prompt payment.
5. Where payment is overdue for 120 days a letter will be sent signed by the Principal and Chair of the Board requesting a meeting. This will be followed up by phone to ensure that a meeting is arranged within 30 days.
6. If a meeting is not arranged or if such meeting does not result in a satisfactory commitment to remedy overdue fees on a timely basis, the matter is to be passed to suitable legal advisors. Additional costs incurred will be passed onto the payee.
7. If an arrangement for overdue fee resolution is accepted but then not complied with, the matter will be passed to legal.
8. Where a matter goes to legal, it will be made clear that the student in question will not be accepted into the school in the following year and that the onus is on the parents to make alternative arrangements for their child's education.
