

Stratford College Board of Management AGREED REPORT

Monday 28 March 2022

The Board of Management met in person for its fifth meeting of the academic year on Monday 28 March 2022.

The BOM continued its review of **school development planning** with a view to its formulating its next strategic plan. This process involves consultation with the stakeholders and consideration of the environmental challenges and opportunities.

The Principal's Report highlighted admissions, attendance and communications activities.

The BOM reported its satisfaction with the current **finances**. The committee were keeping a keen eye on the school's cash flow.

The BOM continues to monitor the Ukrainian situation. It was ready and willing to help in any way. Mindful of its unique ethos the school would make admissions decisions on a case by case basis.

The BOM considered the Education Report which highlighted key developments in that area. These included

- a) DE Incidental Inspection 9 March 2022
- b) Well-Being Feile22@Stratford
