### **Arrears Management Policy**

**Objective:** Every student should share equally in the burden of financing the additional teaching and other facilities associated with Stratford College as a private school. In exceptional cases, the Board of Management at its discretion, may decide to waive or reduce the fees charged to a student due to genuine economic hardship typically associated with a dramatic change in personal circumstances following enrolment in the school. Where fees are not paid on a prompt basis every possible step will be taken, including legal action, to ensure that the financial costs of running the school are shared equally amongst students.

#### **Procedures :**

1. This Policy should be clearly defined and communicated to all students and potential students.
2. Where the Principal or Board identify a hardship case, the case involved will be thoroughly researched and presented to the Board for decision.
3. Where fees fall more than 60 days into arrears this will result in a phone call to the parents involved to ensure that non-payment was due to an oversight by the parents.
4. For fees which are 90 days in arrears, a letter will be sent signed by the Principal and Chair of the Board asking for prompt payment.
5. Where payment is overdue for 120 days a letter will be sent signed by the Principal and Chair of the Board requesting a meeting. This will be followed up by phone to ensure that a meeting is arranged within 30 days.
6. If a meeting is not arranged or if such meeting does not result in a satisfactory commitment to remedy overdue fees on a timely basis, the matter is to be passed to suitable legal advisors.
7. If an arrangement for overdue fee resolution is accepted but then not complied with, the matter will be passed to legal.
8. Where a matter goes to legal, it will be made clear that the student in question will not be accepted into the school in the following year and that the onus is on the parents to make alternative arrangements for their child's education.
